Summary

Dariusz is a multi-disciplinary designer looking for a full time UX/UI or Product design position at a forward thinking and innovative company.

Experience

UX Design Facilitator, Sheridan College VIP Innovation Accelerator

May 2020 to Aug 2020

Facilitated 5 design teams, created and presented weekly design workshops focused on Inclusive design and human-centered design. Lead the design on multiple projects for collaborators like the Galvanizing Education Project at Sheridan College.

Design Consultant, Skill Squirrel - **Oct 2019 to Dec 2019**

Worked with a client to conduct usability and user testing on their new website, created a testing methodology and scenarios to get the best feedback possible, and improved the websites usability and delivered a final report.

UX Designer, Nuvo Network - **Sept 2018 to Dec 2018**

Lead the research and design on a new in house social platform for Nuvo Network a collaborative office workspace, striving to better cater to their clientele and create an easy and efficient way of collaborating, sharing equipment and spaces.

Education

Honours Bachelor of Interaction Design - **Sheridan College, Oakville ON** 2017 — 2021

Art Fundamentals - **Sheridan College, Oakville ON** 2015 — 2016

Certificates | Hackathons and Events

TCPS 2: CORE - Research Ethics Certificate

Adobe Creative Jam - **2019** A quick hack, creating an academic integrity app in Adobe XD.

Genesys Hackathon - **2019** Hackathon working with APIs
